

8<sup>th</sup> Annual Bayley's "Dom Santoro Classic" 2009 Car Show Classes  
Saturday June 20, 2009

<b>Vehicle Class</b>	<b>Class Description</b>
Antique thru 1949 except Street Rods	A motor vehicle, but not a reproduction thereof, which has been maintained in or restored to a condition which is substantially in conformity with manufacturer specifications and appearance.
Street Rod 1920-1948	A motor vehicle, or a reproduction thereof, with a model year of 1948 or older which has been materially altered or modified by the removal, addition or substitution of essential parts and with a gross weight or registered gross weight of not more than 9,000 pounds.
Stock 50's	A motor vehicle, but not a reproduction thereof, which has been maintained in or restored to a condition which is substantially in conformity with manufacturer specifications and appearance.
Stock 60's	A motor vehicle, but not a reproduction thereof, which has been maintained in or restored to a condition which is substantially in conformity with manufacturer specifications and appearance.
Stock 70's and 80's	A motor vehicle, but not a reproduction thereof, which has been maintained in or restored to a condition which is substantially in conformity with manufacturer specifications and appearance.
Stock 90's to Present	A motor vehicle, but not a reproduction thereof, which has been maintained in or restored to a condition which is substantially in conformity with manufacturer specifications and appearance.
Custom/Modified 1950-1979	a factory-built vehicle that has been modified either to improve its performance, often by altering or replacing the engine and transmission, or it may be a personal design by the builder, making the car look unique and unlike any car that might have been factory built.
Custom/Modified 1980-present	a factory-built vehicle that has been modified either to improve its performance, often by altering or replacing the engine and transmission, or it may be a personal design by the builder, making the car look unique and unlike any car that might have been factory built.
Muscle Car	a high-performance automobile, built in the 1960's-1970's. The term generally describes an American 2-door rear-wheel drive mid-size with a large, powerful V8 engine and special trim, intended for maximum torque on the street or in drag racing competition. Normally was not built with comfort amenities of their counterparts.
Special Interest	a vehicle uniquely distinguishable from the usual, and/or designed for a particular purpose, such as a race car, military vehicle or bus, or built to a specific and unusual theme, either of which would generate interest because of its uniqueness or specialty function.
Trucks Stock	A motor vehicle, but not a reproduction thereof, which has been maintained in or restored to a condition which is substantially in conformity with manufacturer specifications and appearance.
Trucks Custom	a factory-built vehicle that has been modified either to improve its performance, often by altering or replacing the engine and transmission, or it may be a personal design by the builder, making the car look unique and unlike any car that might have been factory built.
